##### **Places of Interest in Kyiv**

Ukraine has a long history and rich culture. That is why there are many places of interest there. It is natural that the capital of the country, Kyiv, has the greatest number of them.

It is one of the oldest cities in Europe. From time immemorial Kyiv has been the centre of Slavonic culture. There are many ancient cathedrals and churches, museums and monuments, beautiful streets and squares in it.

The main street of Kyiv is certainly Khreshchatyk. If you have never been to Kyiv you should start your sightseeing there. The street is only one kilometre long but it is very impressive.

Kyiv is famous for its Kyivo-Pecherska Lavra. More than 80 buildings were constructed on its territory during 900 years of the monastery's existence.

Tourists always go to have a look at the monument to Bohdan Khmelnytsky, the outstanding Ukrainian statesman and military leader.

There are many other places of interest in Kyiv. One of them is the State Historical Museum of Ukraine. There are more than 50,000 exhibits on display. The exposition tells us about the history of Ukraine and its culture from antiquity to the present days.

The Golden Gates, the Andreyevskaya Church, the monuments to Prince Volodymyr and Taras Shevchenko are worth seeing.

Kyiv Shevchenko Opera and Ballet House, Kyiv Ivan Franko Drama Theatre are well-known all over the country. Any place is interesting in its own way and visiting it we come to know and love this country more.

##### **Пам'ятки Києва**

Україна має давню історію і багату культуру. Саме тому тут є багато цікавих місць. Цілком природно, що столиця країни, Київ, має найбільше число з них.

Це одне з найстаріших міст в Європі. З незапам'ятних часів Київ був центром слов'янської культури. У ньому є багато стародавніх соборів і церков, музеїв і пам'ятників, красивих вулиць і площ.

Головна вулиця Києва-Хрещатик. Якщо ви ніколи не були в Києві, ви повинні почати огляд визначних пам'яток звідти. Вулиця всього один кілометр завдовжки, але вона дуже вражає.

Київ славиться Києво-Печерською Лаврою. Більше 80 будівель були побудовані на її території протягом 900 років існування монастиря.

Туристи завжди дивляться на пам'ятник Богдану Хмельницькому, видатному українському державному діячу і полководцю.

Є багато інших цікавих місць в Києві. Одним з них є державний історичний музей України. На виставці є більш ніж 50 000 експонатів. Експозиція розповідає про історію України та її культуру з найдавніших часів до наших днів.

Золоті ворота, Андріївська церква, пам'ятники князю Володимирі і Тарасу Шевченку теж варто подивитися.

Київський Театр опери та балету імені Шевченка, Київський драматичний театр імені Івана Франка добре відомі по всій країні. Будь-яке місце цікаво по-своєму і, відвідуючи його, ми дізнаємося і любимо цю країну ще більше.
